Welcome

Welcome to the National Media Museum. We hope you enjoy your visit. This booklet contains pictures of some of the treasures we have here on display in the Museum.

Your challenge is to find them!

The booklet contains clues which will help you locate them and quiz questions for you to puzzle over when you do find them!

Whilst you are in the Museum don't forget to pick up one of our Family Guide leaflets which will tell you about all the activities and workshops we have on offer here for families. Alternatively you can look on line at www.nationalmediamuseum.org.uk

Good luck with your challenge!

Find It!
